## Application for Employment

### Applicant Note

This Application for Employment is intended for use in evaluating your qualifications. This is not an employment contract. If employment is offered, it is strictly on an "at will" basis, which means that you may resign at any time, or DB2 Services (DB2) may terminate your employment at any time for no reason, or for any reason not prohibited by law. Please answer all appropriate questions completely and accurately. False or misleading statements during the interview and on this form are grounds for terminating the application process or, if discovered after employment, terminating employment. All qualified applicants will receive consideration without discrimination because of sex, marital status, race, age, creed, national origin or the presence of disabilities. A felony conviction will not necessarily bar an applicant from employment. Affirmative action hiring may be requested by qualified applicants. Additional testing of job-related skills and for the presence of drugs on your body may be required prior to employment. After an offer of employment, and prior to reporting to work, you are required to submit to a medical review. Depending on company policy and the needs of the job, you will be required to complete a medical history form and may be required to be examined by a medical professional designated by the company.
